1. From the Principal's desk

S.B.S. Government College, Hili (S.B.S. stands for Subal Chandra Bimala Sundari) is situated in the border area of Hili (an international border with Bangladesh) in the district Dakshin Dinajpur, West Bengal. This is the first higher educational institution in the entire block. The college runs full-fledged programmes in humanities like History, Philosophy, Sanskrit, Bengali and English with Honours and General courses and Zoology (Honours). The college will get new stream and subjects in coming years step by step to cater to the best education. Although it is located in a very remote area, the College is well connected by the road transportation from Balurghat to Hili and Patiram to Hili.

It is only the third year of its academic inception, that the college has been successfully running its academic activities with the full enthusiasm; all the teaching staff and LDC, UDC are full time. All the teachers have been appointed by the Higher Education Department, Government of West Bengal, on recommendation of the West Bengal Public Service Commission as a W.B.E.S (West Bengal Education Service) cadre. The best teachers are working in the college and the students are also from various socio-economic and cultural background.

I am also feeling very pleased to be a part of S.B.S Government College, Hili as the first Officer-in-charge of the college. I would like to congratulate all the people of Hili and adjoining areas. A very special thanks to Amulya Rantan Biswas (donor of the land) and other education lovers for their immense contribution in the field of education.

Warm Regards & Good Wishes!!!

2. History of our College

The college started its academic journey from session 2015-16 with five humanities subjects (Bengali, English, Sanskrit, History and Philosophy) and 238 students in annex building of Ramanath High School, Hili till 11th March 2016. After that college had been shifted in its own building on and from 12th March 2016. B.Sc. (Hons) in Zoology started from the academic session 2016-17 with Botany and Chemistry as elective subjects. Currently, more than five hundred students are studying in different disciplines. The college is now temporarily affiliated under the University of Gour Banga. It has completed 3 years of academic session in 2018 and the first batch of students graduated out successfully. A well-maintained canteen is functioning since its beginning in the current building.

3. Vision and Mission

The college tries its level best to cater the best higher education to the students and society as well. The college and higher education will be successful in this area if the whole society is conscious and aware about the higher education and try to cooperate in the overall academic interest of the college. The college which is in its infancy now needs attention and affection of all the people or guardians. It should be made free from all kinds of hazardous interferences because ultimately it is a seat of intellectual development and educational hub of the residents of Hili and adjoining areas. The college will always try to produce the pillar of the future society and try its level best to spread good virtue, wisdom and knowledge for nation building. The college will also devote its time to build up better character among the students.
