

## Meeting Resolution cum Notice 22/5/21

After two meetings regarding the 'Tender for Security Personnel supply' i.e. technical bid opening meet on 19/5/21 and financial bid opening meeting on 21/5/21, it's concluded that we have to proceed further for re-tender. As it's found that one bidder out of three is disqualified in financial bid which results in the cancellation of ongoing tender process. In a further meeting on 22/5/21, it is decided in the presence(virtual) of OIC, TCS and other members of Purchase Committee that we will proceed for a new tender very shortly. Keep eye on the official website regularly for update.
